The screenshot shows a web browser at the URL `localhost:3000/my-articles`. The page has a dark blue header with the text "Social Network App" and navigation links "Home" and "My Articles". On the right side of the header are links for "Profile" and "Logout". The main content area is titled "My Articles" and is currently dimmed. A white modal window titled "Edit Article" is open in the center. It contains two input fields: "Title" with the value "2" and "Content" with the value "2". At the bottom of the modal are two buttons: "Cancel" and "Save Changes".
